*ON THE* *OF*  
~~Last~~ evening, September 27, 1988, at approximately 8:00 p.m., our Lord called our dear Sister M. Francis Salesia to her eternal home.

Sister Francis Salesia, Anna Geiger, was born on November 23, 1897, in Koln-Enrenfeld, West Germany. Sister entered the Novitiate of ~~our Congregation~~ on April 26, 1919.

*The SISTERS OF ST Francis*

Sister Francis Salesia dedicated her religious life to God in many exemplary ways. She came to the United States from Germany in 1921, became a registered nurse and served in this capacity for many years in both Provinces. Sister also became a registered X-Ray technician and ministered in this capacity in several hospitals. She was a member of, and active in many organizations of X-Ray technologists. *Sister was also called upon to LAB work.*

Sister semi-retired to Mount St. Francis in 1975, at which time she became actively involved with the Secular Franciscan Third Order Fraternity as she served as the spiritual assistant to its members. This is a ministry which was very dear to her heart, and which she pursued until she retired to St. Clare Convent in 1984. Sister will be remembered for her dedication and commitment to the Secular Franciscans.

The cause of her death was intestinal metastatic cancer. She endured her suffering and pain with total surrender to her Beloved to whom she was so faithful and loyal throughout her religious life.

The Eucharistic Liturgy ~~will be~~ *was* celebrated ~~on~~ *was* Friday, September 30, 1988, at 10:30 a.m., after which ~~we will accompany her to her earthly resting place in the Mount St. Francis cemetery.~~ *she was taken to.*

Let us pray for our dear Sister Francis Salesia that she may enjoy the full fruits of a life dedicated to our Lord and to the people she encountered throughout her life.
