Dear Mr. Barry:

Thanks for the call, was glad to learn that Mr. Nipon took care of the slides the way he thought best. If he sent you all the other material, I wish you send me the photos back now. I would like to have them back in the album. I like to take it to Florida all finished with descriptions etc. But do not send that heavy German book. We can decide about that fine book in Miami; do not bring it either, unless the E. Kodak Library would not want it. That is for you to decide, until then you may keep it in your possession. If I should happen to (write) ^{compose} more, I might loan it from you. I feel at times "I'm through now," and then again I feel, I should continue on History; but I don't see that I'm able to.

I intend to give our presentation
here in Colo. later; but will put
it on tape. And you & I make
arrangements when ever you want
it even without the "Lufthansa
part of us Sisters", if you like. These
slides I also want to show my
people in Germany. I leave
Denver Sept. 29th and return Oct. 19th
Our Provincial Vicar is making
our airplane reservations. I
hope & pray that we do not land
in Cuba. What then? God
help us!

Greetings to you all
and may the lovely

Queen of May bless
all of you, dear Mrs. Barry.
 Lovingly,

Fr. M. Francis Salaria
